

HERITAGE RESEARCH INSTITUTE PRESENTS:

An Independence Day Celebration

Start your Independence Day Celebration - with a reading of the Declaration of Independence!

The Declaration of Independence is the document that gave birth to our nation. Today there are fewer Americans that have read this important document than any other time since our nation's birth!

For over 150 years July 4th was the day that Americans all over our great land gathered to celebrate our nation's birth – and those celebrations started with a reading of the Declaration of Independence. Help restore this important tradition by inviting your family, friends and neighbors to this annual patriotic event!!

This year join **Thomas Jefferson** and **John Adams** as they lead this special celebration including a public reading of the Declaration, patriotic songs and the pledge of allegiance. Special acknowledgement will be given to our veterans and active duty military personnel.
